1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1-3 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1, as amended, recites the limitation "the body of the bottle" in lines 17 and 18. There is insufficient antecedent basis for this limitation in the claim.

It may be noted that the only body set forth in claim 1 is the decorative case.

2. Claims 1 and 3 insofar as they are definite are rejected under 35 U.S.C. 103(a) as being unpatentable over Dinand FR '592 in view of Friedman '298 and Monahan et al '363 for the reasons set forth in paragraph 5 of the previous Office action.

Note that the closure as taught by Monahan et al would inherently be articulated with respect to the "body of the bottle", as claimed in claim 1.

3. Claim 4 is allowed.

4. Claim 2 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

5. Applicant's arguments, see page 6 of the amendment, filed 12/6/05, with respect to the objection to the disclosure and title have been fully considered and are persuasive. The objection of the disclosure and title have been withdrawn.

Art Unit: 3727

Contrary to applicant's arguments claim 1 does not include the allowable subject matter of claim 2.

6. The following are suggested formats for either a Certificate of Mailing or Certificate of Transmission under 37 CFR 1.8(a).
